I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

Comments My husband is totally dependent upon
Compounded Medications supplied by College Pharmacy.
If you would speed up the approval process on
Morphidex filed by Algos Pharmacy in August, he could
eliminate one of the Compounded Medications. Without
College, I suspect he would die. His Pain is Chronic
and Unbearable.
